## IMPORTANT NOTICE

These application instructions conform to the Corporation for National and Community Service's online grant application system, [eGrants](#). All funding announcements by the Corporation for National and Community Service (CNCS) are posted on [www.nationalservice.gov](http://www.nationalservice.gov) and [www.grants.gov](http://www.grants.gov).

**Public Burden Statement:** Public reporting burden for this collection of information is estimated to average 80 hours per submission, including reviewing instructions, gathering and maintaining the data needed, and completing the form. Comments on the burden or content of this instrument may be sent to the Corporation for National and Community Service, Attn: Jennifer Bastress Tahmasebi, 250 E Street, SW, Suite 300, Washington, DC 20525. CNCS informs people who may respond to this collection of information that they are not required to respond to the collection of information unless the OMB control number and expiration date displayed on page one are current and valid. (See 5 C.F.R. 1320.5(b)(2)(i).)

**Privacy Act Notice:** The Privacy Act of 1974 (5 U.S.C § 552a) requires that the following notice be provided to you: The information requested on the AmeriCorps Application Instructions is collected pursuant to 42 U.S.C. §§ 12581 - 12585 of the National and Community Service Act of 1990 as amended, and 42 U.S.C. § 4953 of the Domestic Volunteer Service Act of 1973 as amended. Purposes and Uses - The information requested is collected for the purposes of reviewing grant applications and granting funding requests. Routine Uses - Routine uses may include disclosure of the information to federal, state, or local agencies pursuant to lawfully authorized requests. In some programs, the information may also be provided to federal, state, and local law enforcement agencies to determine the existence of any prior criminal convictions. The information may also be provided to appropriate federal agencies and Department contractors that have a need to know the information for the purpose of assisting the Department's efforts to respond to a suspected or confirmed breach of the security or confidentiality or information maintained in this system of records, and the information disclosed is relevant and unnecessary for the assistance. Executive Summaries of all compliant applications received and applications of successful applicants will be published on the CNCS website as part of ongoing efforts to increase transparency in grantmaking. This is described in more detail in the *Notice of Federal Funding Opportunity*. The information will not otherwise be disclosed to entities outside of AmeriCorps and CNCS without prior written permission. Effects of Nondisclosure - The information requested is mandatory in order to receive benefits.

**Federal Funding Accountability and Transparency Act:** Grant recipients will be required to report at [www.FSRS.gov](http://www.FSRS.gov) on all subawards over \$25,000 and may be required to report on executive compensation for recipients and subrecipients. Recipients must have the necessary systems in place to collect and report this information. See 2 C.F.R. Part 170 for more information and to determine how these requirements apply.

**Indirect Cost Rates:** CNCS allows applicants to include indirect costs in application budgets. Based on qualifying factors, applicants have the option of using a federally approved indirect cost rate, a 10% de minimis rate of modified total direct costs, or may claim certain costs directly as outlined in 2 C.F.R. § 200.413 Direct costs. Applicants who hold a federal negotiated indirect cost rate must use that rate in lieu of the AmeriCorps 5/10% allocation of administrative costs.

Applicants who hold a state or federal negotiated indirect cost rate or will be using the 10% de minimis rate must enter that information in the Organization section in eGrants.

**Universal Identifier:** Applications must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register with the Central Contractor's Registry (CCR). All grant recipients are required to maintain a valid registration, which must be renewed annually.

## APPLICATION RESOURCES

Please use these application instructions if you are a new or re-competing applicant to CNCS. If you are submitting a request for continuation funding for 2017-2018, please see the Continuation Instructions in this document.

**Notification of Intent to Apply:** In order to gauge the number of applications we are likely to receive and to plan more efficiently for technical assistance and application review, all applicants **must submit a Notification of Intent to Apply via Survey Monkey by Midnight Central Time, Wednesday, September 28, 2016.** Access this survey at <https://www.surveymonkey.com/r/1718WNCSB-AC>. Contacts from the Notification of Intent to Apply will receive an e-mail response acknowledging receipt within one (1) business day. **Applications submitted by applicants who have not submitted a Notification of Intent to Apply by the deadline will not be considered for funding.**

**The deadline for this application is Wednesday, November 2, 2016, by 4:30 PM Central Time.** Applications are submitted using eGrants (<https://egrants.cns.gov>), CNCS's integrated, secure, web-based system for applications. In addition to completing an online application, you must submit all additional documents specified in the *RFP*, these application instructions, and the AmeriCorps regulations.

CNCS requires that all applicants make every effort to submit their applications electronically utilizing eGrants. If extenuating circumstances make this impossible, contact the RFP Manager as soon as possible, but no later than the deadline noted above.

**We strongly recommend that you create your eGrants account and begin your application at least three weeks before the deadline and begin entering your application into eGrants no later than ten days before the deadline.** This will allow you time to address technical issues prior to the deadline.

Contact the eGrants Help Desk at 800-942-2677 (talk to an associate or leave a detailed message) or <https://questions.nationalservice.gov/app/ask> immediately if a problem arises while you are creating your account, preparing, or submitting your application. Be prepared to provide your application ID. If technical issues are preventing you from submitting your application in eGrants, you must contact the eGrants Help Desk prior to the 4:30 p.m. Central Time deadline to explain your technical issue and get a ticket number. If your issue cannot be resolved by the deadline, you must continue working with the eGrants Help Desk to submit your application.

Use these instructions in conjunction with the *WNCSB RFP*, and the AmeriCorps Regulations, 45 C.F.R. §§ 2520–2550. **The *RFP* includes deadlines, eligibility requirements, submission requirements, maximum amount of funding per Member Service Year (MSY),<sup>1</sup> and other information that is specific to the grant competition.** The *RFP* can be found online at [www.servewisconsin.wi.gov](http://www.servewisconsin.wi.gov) under “Funding.” The AmeriCorps regulations in Table 1 include pertinent information. The full regulations are available online at [www.gpo.gov](http://www.gpo.gov).

**Table 1: Requirements in the AmeriCorps Regulations**

Topics	Citation in the AmeriCorps Regulations
Member Service Activities	§2520.20 - §2520.55
Prohibited Activities	§2520.65
Tutoring Programs	§2522.900-2522.950
Matching Funds	§2521.35-2521.90
Member Benefits	§2522.240-2522.250
Calculating Cost Per Member Service Year (MSY)	§2522.485
Performance Measures	§2522.500-2522.650
Evaluation	§2522.500-2522.540 and §2522.700-2522.740
Selection Criteria and Selection Process	§2522.400-2522.475

If there is any inconsistency between the AmeriCorps regulations, the *RFP*, and the Application Instructions, the order of precedence is as follows:

1. AmeriCorps regulations 45 C.F.R. §§ 2520–2550 take precedence over the
2. *Request for Proposals*, which takes precedence over the
3. Application Instructions.

<sup>1</sup> One MSY is equivalent to at least 1700 service hours, a full-time AmeriCorps position. The CNCS cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested in the application. It does not include childcare or the cost of the education award.

## SUBMITTING YOUR APPLICATION IN EGRANTS

### New and Recompeting Applicants

New applicants need to establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting “Don’t have an eGrants account? Create an account.”

In eGrants, before Starting Section I you will need to:

- Start a new Grant Application
- Select a Program Area (AmeriCorps)
- Select a NOFA (see the Serve Wisconsin “Funding” website for a listing)

Your application consists of the following components. Make sure to complete each section.

- I. Applicant Info
- II. Application Info
- III. Narratives
- IV. Logic Model
- V. Performance Measures
- VI. Program Information
- VII. Documents
- VIII. Budget
- IX. Funding/Demographics
- X. Operating Sites
- XI. Review, Authorize, and Submit

#### I. Applicant Info

Information entered in the Applicant Info, Application Info, and Budget sections will populate the SF 424 Facesheet. **You will find a sample SF 424 in Attachment A of this document.**

- If you are re-competing (in the final year of a competitive funding cycle and applying for a new grant cycle), select **Continuation/Renewal**
- If you are not a current grantee, but have received a competitive AmeriCorps grant in the past five years, select **Continuation/Renewal**
- If you are applying for the first time, have only received formula funding in the past, or are a former grantee (non-formula) whose last AmeriCorps grant was received more than five years ago, select **New**
- If you are a current planning grantee applying for an implementation grant, select **New**

Enter or update the requested information in the fields that appear. The contact person needs to be the person who can answer questions about the application.

#### II. Application Info

**In the Application Info Section enter:**

- Areas affected by your proposed program. Please include the city and/or county name for each host site location, separated with a comma. Include the two-letter capitalized state abbreviation (WI). If there is not enough space to list all cities/counties, note the number of cities/counties, the two-letter capitalized state abbreviation (WI), and ensure to list all of the locations in your grant narrative.
- Requested project period start and end dates. The length of the project period is specified in the *RFP*. Projects start on August 15, 2017 or September 1, 2017, and complete on August 14, 2018 or August 31, 2018, respectively.
- State Application Identifier: Enter N/A. The Application is Subject to Review by State Executive Order 12372 Process: This is pre-filled as “No, this is not applicable.”
- Indicate Yes or No if you are delinquent on any federal debt. If yes, provide an explanation.

#### III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria as outlined in the *RFP*. It is strongly recommended that you create your narrative in a word processing document prior to entering into eGrants. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit each funding priority or consideration articulated in the regulations or *RFP*.
- **Be clear and succinct.** Reviewers are not interested in jargon, boilerplate, rhetoric, or exaggeration. They are interested in learning precisely what you intend to do, and how your project responds to the selection criteria presented in the *RFP*.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.
- **Don't make assumptions.** Even if you have received funding from CNCS in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative using the Peer Review Form (RFP Appendix A).
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions.** Use headings to differentiate narrative sections by criterion.

In eGrants, you will enter text for

- Executive Summary,
- Program Design,
- Organizational Capability,
- Cost Effectiveness and Budget Adequacy, and
- Evaluation Summary or Plan.

Note: The Narratives Section also includes fields for Clarification Summary, Amendment Justification, and Continuation Changes. **Please enter N/A in these fields. They will be used at a later date to enter information for clarification following review, to request amendments once a grant is awarded, and to enter changes in the narrative in continuation requests.**

Reviewers will assess your application against the selection criteria. To best respond to the criteria listed in the *RFP* and Application Instructions, we suggest that you include a brief discussion of each bullet if it pertains to your application.

#### **A. Executive Summary**

Please complete the Executive Summary per the guidance in the *RFP*.

#### **B. Selection Criteria**

Each application must clearly describe a project that will effectively deploy AmeriCorps members to solve a significant community problem. Specifics about the selection criteria are published in the *RFP*.

##### **1. Program Design (50 percent)**

In assessing Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members are particularly well-suited to solving the identified community problem.

##### **2. Organizational Capability (25 percent)**

Reviewers will assess the extent to which the applicant demonstrates organizational background and staffing, sustainability, compliance, and accountability.

##### **3. Cost Effectiveness and Budget Adequacy (25 percent)**

In assessing Cost Effectiveness and Budget Adequacy, reviewers will examine the degree to which the intervention being proposed is cost effective and the budget is appropriate for the program being proposed.

#### **C. Evaluation Summary or Plan**

If you are competing for the first time, please enter N/A in the Evaluation Summary or Plan field since it pertains only to re-competing grantees. If you are re-competing for AmeriCorps funds, follow the guidance in the *RFP*.

#### **D. Amendment Justification**

Enter N/A. This field will be used if you are awarded a grant and need to amend it.

#### **E. Clarification Information**

Enter N/A. This field will be used to enter information that requires clarification in the post-review period. Please clearly label new information added during clarification with the date.

## F. Continuation Changes

Enter N/A. This field will be used to enter changes in your narratives in your continuation requests.

## IV. Logic Model

Complete the logic model using the guidance provided in the *RFP*.

To begin entering your logic model, from your eGrants application page select “Logic Model” in the left side navigation menu.

In the first blank row of the logic model, click “edit.” Clicking this link will open a pop-up screen with fields for each column of the logic model. Complete any fields that are applicable; there are no required fields in this screen. When you are finished click “save and close.”

You may add an unlimited number of rows to the logic model by clicking “add a new row”; however, your Logic Model may not exceed three pages as it prints from eGrants. Reviewers will not consider any information that is over the page limit, even if eGrants allows you to submit it.

You may edit or delete an existing row by clicking “edit” or “delete” in the last column of the logic model.

## V. Performance Measures

All applicants must submit at least one aligned performance measure with their application. See Attachment B for instructions for entering performance measures. CNCS may use the performance measures separately from the grant narrative after grant-making. Thus, all information requested in the National Performance Measure Instructions must be included in the text of the performance measures themselves, and it must be evident in the performance measure text that all definitions and requirements outlined in the National Performance Measures Instructions and the *RFP* are met. Should an applicant choose to provide information about performance measures in the narrative, this information will also need to be in the performance measures module.

For more information about Performance Measures go to:

WNCSB staff will date and time stamp required grant application document packets and notify applicants via e-mail upon receipt. Regardless of the method of submission, all additional documents must be **received** by the Board by 4:30 PM Central Time on Wednesday, November 2, 2016. It is the responsibility of the applicant, not the Board, to ensure that all documents have been submitted.**

**VIII. Budget Instructions**

These instructions are for cost reimbursement applicants. Fixed-Amount grants, including EAPs, should use the Budget Instructions for Fixed-Amount applicants (Attachment E) and the Budget Worksheet (Attachment F) to prepare the budget.

**A. Match Requirements**

Program requirements, including requirements on match are located in the AmeriCorps regulations and summarized below.

**Table 2: Match Requirements in the AmeriCorps Regulations**

<b>Grant Type</b>	<b>Match Requirement</b>
Cost Reimbursement including Professional Corps, Indian Tribes	Minimum grantee share is 24% of program costs for the first three years. Overall grantee share of total program costs increases gradually beginning in Year 4, to 50% by the tenth year of funding and any year thereafter.
EAP Fixed-Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over \$800 per MSY provided by CNCS.
Professional Corps Fixed-Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over the maximum \$1,000 per MSY provided by CNCS.
Stipended Fixed-Amount Grants	There are no specific match requirements for full-time Fixed-amount grants. Grantees pay all program costs over the maximum \$13,430 per MSY provided by CNCS.

- Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. [See 45 CFR §§ 2521.35–2521.90](#) for the specific regulations.
- If you are applying for the first time, you must match with cash or in-kind contributions at least 24% of the project's total Operating Costs (Section I) plus Member Costs (Section II) plus Administrative Costs (Section III). If you are reapplying, please see [45 CFR §§ 2521.40-2521.95](#) for the match schedule.
- The acceptable sources of matching funds are federal, state, local, and/or private sector funds in accordance with applicable AmeriCorps requirements.
- In the “Source of Funds” field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. Define all acronyms the first time they are used.
- See Attachment G for instructions for applying for the Alternative Match Schedule.

*Note:* CNCS legislation permits the use of non-CNCS federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees that use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS. If you use other federal funds as match, you must ensure you can meet the requirements and purpose of both grants. This information will be reported to WNCSSB in Aggregate Financial Reports (AFRs).

## **B. Preparing Your Budget**

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criteria.

Follow the detailed budget instructions in Attachment C to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheets in Attachments C and D. As you enter your detailed budget information, eGrants will automatically populate a budget summary and budget narrative report. Prior to submission be sure to review the budget checklist (Required Additional Checklist B) to ensure your budget is compliant. In addition, eGrants will perform a limited compliance check to validate the budget. If it finds any compliance issues you will receive a warning and/or error messages. You must resolve all errors before you can submit your budget.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Provide details for each budget line item.
- Understand the required budget items to be included, as described in the Required Additional Checklist B – Budget Checklist. This includes travel to an AmeriCorps program/staff development training approved by Serve Wisconsin, AmeriCorps Member Service Gear, National Service Criminal History Checks, and OnCorps Online Reporting System.
- Itemize each cost and present the basis for all calculations in the form of an equation.
  - For example: OnCorps Online Reporting System for 30 Members x \$1.40 x 12 months = \$504; Program Director Salary \$60,000 @ 80% devoted to program = \$48,000.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).

Programs must comply with all applicable federal laws, regulations, and the requirements of the Omni Circular. Please refer to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200) for allowable, allocable, and reasonable cost information, as well as audit requirements, including the need to provide audits to the Clearinghouse if expending over \$750,000 in federal funds, as required in the Omni Circular. The OMB Omni Circular can be found online at [https://www.whitehouse.gov/omb/circulars\\_default/](https://www.whitehouse.gov/omb/circulars_default/).

## **IX. In the Funding/Demographics Section enter:**

- Other Revenue funds. Enter the amount of funds that your program uses to run the program that are not identified as CNCS share or grantee share (match). Note: Programs should not enter the total operating budget for their organization unless the entire operating budget supports the AmeriCorps program. Programs that have additional

revenue sources not included in the matching funds section of the budget should provide the amount of this additional revenue that supports the program. This amount should not include the CNCS or grantee share amounts in the budget. Fixed amount grantees should enter all non-CNCS funds that support the program in this field. All fixed grants will have other revenue.

- Number of Episodic Volunteers Generated by AmeriCorps members. Please enter the number of volunteers that will be participating in one day service projects that the proposed AmeriCorps members will generate.
- Number of Ongoing Volunteers Generated by AmeriCorps members. Please enter the number of volunteers that have an ongoing volunteer commitment that the proposed AmeriCorps members will generate.
- Percentage of MSYs who are opportunity youth, if any
- Number of individuals reported in performance measure O15 who are opportunity youth
- Number of individuals reported in performance measure O17 who are opportunity youth

## **X. Operating Sites**

Not applicable—for multi-state applicants only.

## **XI. Review, Authorize, and Submit**

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants: Review; Authorize; Assurances; Certifications; Verify; and Submit.

Read the Authorization, Assurances, and Certifications carefully (Attachment I). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. **A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.**

Be sure to check your entire application to ensure that there are no errors before submitting it. eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission when you verify the application. If someone else is acting in the role of the applicant's Authorized Representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

**Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account.** Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

Please direct all questions about these Application Instructions and Attachments in writing to the RFP Manager at [servewisconsin@wisconsin.gov](mailto:servewisconsin@wisconsin.gov) by **Midnight Central Time, October 27, 2016.**

# CONTINUATION REQUESTS

---

Instructions for submitting a competitive continuation request apply only to programs that are currently in their first or second year of operation within a grant cycle. If your program is currently in the final year of its competitive grant cycle, you must apply using the application instructions for new and re-competing programs. In addition, if you are in year two or three of a cost-reimbursement grant cycle, you need to submit a new application to participate in the fixed-amount grant; you cannot continue your existing project period and switch from cost-reimbursement to fixed-amount. CNCS reserves the right to consider your continuation request if your fixed-amount application is not funded.

The following organizations are eligible to apply for Continuation funding: Boys and Girls Clubs of Greater Milwaukee-SSPP/Kinder Academy/Graduation +; College Possible Milwaukee; Marshfield Clinic AmeriCorps Afterschool; Marshfield Clinic AmeriCorps Volunteer Wisconsin; Milwaukee Christian Center; North Central Community Action Program; Public Allies Milwaukee; United Way of Dane County-Schools of Hope; University of Wisconsin-Eau Claire – ECLIPSE; and Wisconsin Primary Health Care Association.

**Notification of Intent to Apply:** In order to gauge the number of applications we are likely to receive and to plan more efficiently for technical assistance and application review, all applicants **must submit a Notification of Intent to Apply via Survey Monkey by Midnight Central Time, Wednesday, September 28, 2016.** Access this survey at <https://www.surveymonkey.com/r/1718WNCSB-AC>. Contacts from the Notification of Intent to Apply will receive an e-mail response acknowledging receipt within one (1) business day. **Applications submitted by applicants who have not submitted a Notification of Intent to Apply by the deadline will not be considered for funding, including Continuation Applicants.**

**The deadline for your Continuation Request is Wednesday, November 2, 2016, by 4:30 PM Central Time.**

Applications are submitted using eGrants (<https://egrants.cns.gov>) CNCS's integrated, secure, web-based system for applications. In addition to completing an online application, you must submit all additional documents specified in the *RFP*, these application instructions, and the AmeriCorps regulations.

## How to Submit Your Continuation Request:

- Click **Continuation/Renewal** on your eGrants home page. You will be shown a list of grants that are eligible to be continued. Select the grant you wish to continue. **Make sure you select the correct one. Do not start a new application.** The system will copy your most recently awarded application.
- Edit your continuation application as directed in the continuation request instructions below. When you have completed your work, click the **SUBMIT** button.

Be sure to review the *RFP* when preparing your request. If you have questions about the content of your continuation request, please contact the RFP Manager.

## What to Include in Your Continuation Request:

### I. Applicant Info and Application Info

Update the Applicant Info and Application Info Sections in eGrants if necessary. Note in the Continuation Changes field that you have updated the Applicant Info or Application Info Section(s).

### II. Narrative (Narratives Section)

Your original application will appear in the Executive Summary and in the Narrative Sections Program Design, Organizational Capability, Cost-Effectiveness and Budget Adequacy, Evaluation Summary or Plan, Amendment Justification, Clarification Information, and Continuation Changes, as appropriate.

**Do not enter continuation changes in the original narrative fields.** If you are not proposing changes to your continuation request, simply leave your original narrative as it is, and indicate that there are no changes in your responses to the Clarification Changes questions below. **You must address items 1-4 even if you have no changes.**

### Provide the following information in the Continuation Changes narrative field in eGrants:

1. Identify whether this is a Year 2 or Year 3 in the heading of this section.
2. Did the program enroll 100% of the slots in the last full year of program operation? If not, provide an explanation and describe the plan for improvement.
3. Did the program retain 100% of the members in the last full year of program operation? If not, provide an explanation and describe the plan for improvement. CNCS recognizes retention rates may vary among equally effective programs depending on the program model but expects all grantees to pursue the highest retention rate possible.

4. Was the program 100% compliant with the 30-day enrollment and exit requirements? If not, provide an explanation and your plan to ensure future compliance.
5. Are you proposing a change in operating sites or service locations? This includes expansion to new sites. If yes, describe these changes and provide a justification for the change. The justification should include the need that will be met at any new sites, the activities of the members, and organizational capacity to support new sites.
6. Are you proposing a change in program scope or design? If yes, describe the change and provide a justification.
7. Are you requesting an expansion (increase in members, increase in funding, and/or an increase in cost per MSY)? Please note that continuation requests for increases in funding are rarely approved and are considered against the criteria outlined in the *RFP* and subject to available funding.

**Continuation applicants requesting expansions should not modify performance measures and the application budget to reflect the increase.** Instead, please respond to the questions below. If your expansion request is approved, you will be invited to modify your performance measures and budget accordingly.

- a. What type of expansion is being requested (increase in members, funding, and/or cost per MSY)?
  - b. What is the level of increase being requested? Provide the level of resource the program currently receives, the amount of increase being requested, and a new total request amount. For example: *The program currently receives \$100,000, 10 MSY, and 10 slots, for a cost/MSY of \$10,000. We are requesting an additional \$20,000, 2 MSY, and 2 slots, for a total cost/MSY of \$10,000. Our total request is \$120,000, 12 MSY, and 12 slots, for a cost/MSY of \$10,000.*
  - c. Provide a justification for the expansion. The justification should include an explanation of the problem/need that will be met, how or whether member activities will differ from those already included in the approved grant, and a description of the organizational capability to support the expansion, including the organizational staffing and experience to manage the expansion and ensure quality and compliant programming and member experience.
  - d. Provide a detailed description of how the expansion would change the application budget and a dollar amount of the total increase. Include any additional staffing that would be added, changes to member training, criminal history checks, etc.
  - e. Provide a detailed description of how the expansion would change the application performance measures. Indicate how the expansion will impact program outcomes and make the program more effective.
8. Are you proposing other changes not captured above? If yes, describe these changes and provide a justification for them.

The page limit for the Continuation Changes field is 6 pages, as the pages print out from eGrants.

### III. Logic Model

Continuation applicants do not need to enter content into these fields unless changes to the originally-submitted logic model are being requested as part of Continuation Changes.

### IV. Performance Measures (Performance Measures Section)

Your performance measures are copied from your previous year's application into your continuation request. If you made changes to your program, such as adding or changing grant-funded activities, or requesting additional slots or MSYs, you may need to revise your performance measures. To revise performance measures, "View/Edit" the performance measures that copy over from your original application, or add new performance measures (see Attachment B for instructions). Note in the Continuation Changes field that you have updated your performance measures. If you are proposing to significantly increase or decrease output or outcome targets for existing performance measures, provide a justification for this change.

### V. Program Information

In the Program Information Section, applicants must check the relevant boxes in order to be considered for CNCS's assessment of the strategic considerations and Special Initiatives. Applicants should only check the boxes for those characteristics that represent a significant part of the program.

An application is only complete if it includes all required documentation and is received in eGrants by the application due date. **Incomplete applications will not be considered. Additional documents must be received by the Board at 1 West Wilson Street in Room B274, Madison, WI, by 4:30 p.m. Central Time on Wednesday, November 2, 2016. No exceptions will be made.**

Additional documents may be submitted by one of the following ways. Please choose only one method of submission:

3. Via e-mail: Submit all additional required documents as e-mail attachments to [servewisconsin@wisconsin.gov](mailto:servewisconsin@wisconsin.gov). Submit all additional documents together with the following e-mail subject line: 2017-18 AmeriCorps Proposal Additional Documents – [Organization Name] [AmeriCorps Program Name].
4. Via mail: Send via parcel service or deliver in person all additional required documents in an envelope with the applicant organization name and program name to:

Wisconsin National & Community Service Board  
Additional Documents – AmeriCorps 2017-18  
1 West Wilson Street, Room B274  
Madison, WI 53703

Please note: applicants have had issues with the U.S. Postal Service delivering packages by the guaranteed delivery date; therefore, we do not recommend applicants rely on this service to submit their additional documents by the deadline.

WNCSB staff will date and time stamp required grant application document packets and notify applicants via e-mail upon receipt. Regardless of the method of submission, all additional documents must be **received** by the Board by 4:30 PM Central Time on Wednesday, November 2, 2016. Additional documents will be reviewed by WNCSB staff for completion of submission if received in a timely manner. Applicants may be notified of any missing documentation if time permits. **Not submitting all of the required grant application documents by the deadline will result in automatic disqualification of the application. It is the responsibility of the applicant, not the Board, to ensure that all documents have been submitted.**

### VII. Budget (Budget Section)

Your budget from the previous year's application is copied into your continuation request so you can make the necessary adjustments. Revise your detailed budget for the upcoming year. Incorporate any required CNCS increases, such as an increase to the member living allowance and increased costs for OnCorps, into your budget. The CNCS total share of the budget should generally not be increased. Continuation applicants requesting an increase in funding should describe their request in the Continuation Changes section of the application and make modifications to the budget ONLY if this request is approved (see instructions in Section II #7). CNCS expects that the Cost per MSY for continuation applicants will decrease or remain the same. Any proposed increase in Cost per MSY must be justified in the Continuation Changes field. **This applies even if the increased cost per MSY is less than the maximum or if the increase is due to increased costs set by CNCS.**

### Source of Funds (Match)

In the "Source of Funds" field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. Define acronyms the first time they are used.

### VIII. Increasing Grantee Overall Share of Total Budgeted Costs

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations. See Attachment G for instructions for applying for the Alternative Match Schedule.

#### **IX. In the Funding/Demographics Section enter:**

- Other Revenue funds. Enter the amount of funds that your program uses to run the program that are not identified as CNCS share or grantee share (match). Note: Programs should not enter the total operating budget for their organization unless the entire operating budget supports the AmeriCorps program. Programs that have additional revenue sources not included in the matching funds section of the budget should provide the amount of this additional revenue that supports the program. This amount should not include the CNCS or grantee share amounts in the budget. Fixed amount grantees should enter all non-CNCS funds that support the program in this field. All fixed grants will have other revenue.
- Number of Episodic Volunteers Generated by AmeriCorps members. Please enter the number of volunteers that will be participating in one day service projects that the proposed AmeriCorps members will generate.
- Number of Ongoing Volunteers Generated by AmeriCorps members. Please enter the number of volunteers that have an ongoing volunteer commitment that the proposed AmeriCorps members will generate.
- Percentage of MSYs who are opportunity youth, if any
- Number of individuals reported in performance measure O15 who are opportunity youth
- Number of individuals reported in performance measure O17 who are opportunity youth

#### **X. Operating Sites**

#### **XI. Review, Authorize, and Submit**

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants: Review; Authorize; Assurances; Certifications; Verify; and Submit.

Read the Authorization, Assurances, and Certifications carefully (Attachment I). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. **A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.**

Be sure to check your entire application to ensure that there are no errors before submitting it. eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission when you verify the application. If someone else is acting in the role of the applicant's Authorized Representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

**Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account.** Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? ## **ATTACHMENT B: Performance Measures Instructions (eGrants Performance Measures Section)**

---

### **About the Performance Measures Module**

In the performance measures module, you will:

- Provide information about your program's connection to CNCS focus areas and objectives.
- Show MSY and member allocations.
- Create one or more aligned performance measure.
- Set targets and describe data collection plans for your performance measures.

### **Home Page**

To start the module, click the "Begin" button on the Home Page.

As you proceed through the module, the Home Page will summarize your work and provide links to edit the parts of the module you have completed. You may also navigate sections of the module using the tab feature at the top of each page.

Once you have started the module, clicking "Continue Working" will return you to the tab you were on when you last closed the module.

To edit the interventions, objectives, MSYs, and member allocations for your application, click the "Edit Objectives/MSYs/Members" button.

After you have created at least one aligned performance measure, the Home Page will display a chart summarizing your measures. To edit a performance measure, click the "Edit" button. To delete a measure, click "Delete." To create a new performance measure, click the "Add New Performance Measure" button.

### **Objectives Tab**

An expandable list of CNCS focus areas appears on this tab. When you click on a focus area, a list of objectives from the CNCS strategic plan appears. A list of common interventions appears under each objective.

First click on a focus area. Then click on an objective. All national performance measures fall under a strategic plan objective. Only the performance measures that correspond to the strategic plan objectives you select on this tab will be available for selection as you continue through this module. To see which performance measures correspond to which objective, refer to the CNCS Performance Measures Instructions at [http://www.nationalservice.gov/sites/default/files/documents/Performance\\_Measure\\_Instructions\\_2016.pdf](http://www.nationalservice.gov/sites/default/files/documents/Performance_Measure_Instructions_2016.pdf)

Next, select all interventions that are part of your program design. Interventions are the activities that members and volunteers will carry out to address the problem(s) identified in the application. Select "other" if one of your program's interventions does not appear on the list. Repeat these actions for each of your program's focus areas. Select "other" for your focus area and/or objective if your program activities do not fall within one of the CNCS focus areas or objectives.

Choose your program's primary focus area from the drop-down list. Only the focus areas that correspond to the objectives you selected above appear in the list. Next, select the primary intervention within your primary focus area. You will be required to create an aligned performance measure that contains your primary intervention.

You may select a secondary focus area and a secondary intervention. The primary and secondary focus area may be the same if you have more than one intervention within the focus area.

### **MSYs/Members Tab**

On this tab, you will enter information about the allocation of MSYs and members across the focus areas and objectives you have selected. Begin by entering the total MSYs for your program.

Next, enter the number of MSYs your program will allocate to each objective. Only the objectives that were selected on the previous tab appear in the MSY chart. If some of your program's objectives are not represented in

the chart, return to the previous tab and select additional objectives. The MSY chart must show how all your program's resources are allocated. If you have selected the Find Opportunity objective (under the Economic Opportunity focus area) and/or the Teacher Corps objective (under the Education focus area), enter 0 MSYs for these objectives and allocate your MSYs to the other objectives you selected. Note that you may be required to enter "0" for some other objectives if the only activity in that objective is focused on member development. Please refer to additional instructions for calculating and entering MSY and member allocations at the end of these instructions to ensure that information is entered correctly.

As you enter MSYs into the MSY column of the chart, the corresponding percentage of MSYs will calculate automatically. When you have finished entering your MSYs, the total percentage of MSYs in the chart must be 100%. The total number of MSYs in the chart must equal the number of MSYs in your budget (+/- 1 MSY).

In the members column, enter the number of members that will be assigned to each objective. Some members may perform services across more than one objective. If this is the case, allocate these members to all applicable objectives. For example, if one member works on both school readiness and K-12 success, allocate one member to each of these objectives. It is acceptable for members in this table to exceed total slots requested in the application due to counting members' service across multiple objectives.

### **Performance Measure Tab**

This tab allows you to create sets of aligned performance measures for all the grant activities you intend to measure. You must create at least one aligned performance measure that includes your primary intervention. You may create additional aligned performance measures.

To create an aligned performance measure, begin by selecting an objective. The list of objectives includes those you selected on the objectives tab.

Provide a short, descriptive title for your performance measure.

Briefly describe the problem your program will address in this performance measure.

Select the intervention(s) to be delivered by members and member-supported volunteers. The list of interventions includes the ones you selected previously for this objective. Select only the interventions that will lead to the outcomes of this aligned performance measure. If you selected "other" as an intervention and wish to include an applicant-determined intervention in your aligned performance measure, click "add user intervention" and enter a one or two word description of the intervention.

Select output(s) for your aligned performance measure. The output list includes only the National Performance Measure outputs that correspond to the objectives you have selected. If you do not wish to select National Performance Measures, you may create an applicant-determined output by clicking "Add User Output."

Select outcome(s). If you have selected a National Performance Measures output with a corresponding National Performance Measures outcome, these outcomes will be available to select. If you have not selected a National Performance Measures output, or if there is no corresponding outcome, create an applicant-determined outcome by clicking "Add User Outcome."

For Capacity Building National Performance Measures, you may select optional end outcomes. You will not be required to report on these outcomes, and therefore will not be required to enter a data collection plan. Complete the corresponding drop-down box for any end outcome selected. To select more than one focus area, click "Add new focus area." To select more than one beneficiary population, click "Add new beneficiary." To de-select an item in the drop-down box, click the first (blank) line in the drop-down. To identify focus area outcomes that are connected to your capacity building activities, check the "Focus Area Outcome" box. To select more than one focus area outcome, select "Add new outcome." To de-select an item in the drop-down box, click the first (blank) line in the drop-down.

Enter the number of MSYs and members your program will allocate to achieving the outcomes you have selected in this performance measure. Since programs are not required to measure all grant activities, the number you enter does not have to correspond to the MSY chart you created on the MSY/Members tab; however, the total number of MSYs across all performance measures within a single objective cannot exceed the total number of MSYs previously allocated to that objective. Members may be double-counted across performance measures, but MSYs

may not. Note that MSYs and members cannot be entered for performance measures associated with the Find Opportunity objectives. For the Teacher Corps objective, enter 0 MSYs and members.

Click “next” to proceed to the data collection tab. Later you can return to this tab to create additional aligned performance measures.

### **Data Collection Tab**

On this tab, you will provide additional information about your interventions, instruments and plan for data collection.

Describe the design and dosage (frequency, intensity, duration) of the interventions you have selected. Frequency refers to how often an intervention occurs (for example, number of sessions per week); intensity refers to the length of time devoted to the intervention (for example, number of minutes per session); and duration refers to the period of time over which the intervention occurs (for example, how many total weeks of sessions).

Expand each output and outcome and enter data collection information. For outputs that measure completion, define the minimum dosage required to be counted as having completed the program.

The performance measures may be used after grant making separate from the grant narrative. Thus all information requested in the National Performance Measure Instructions must be included in the text of the performance measures themselves, and it must be evident in the performance measure text that all definitions and requirements outlined in the National Performance Measures Instructions and NOFO FAQs are met. Should an applicant choose to provide duplicate information about performance measures in the narrative, this information will also need to be in the performance measures module.

Select the data collection method you will use to measure the output or outcome. To select more than one method, click the “Add new method” button. To de-select a method, click the first (blank) line in the method drop-down.

Describe the specific instrument(s) you will use to measure the output or outcome. Include the title of the instrument(s), a brief description of what it measures and how it will be administered, and details about its reliability and validity if applicable. For outcomes, specify how much improvement in knowledge, attitude, behavior, or condition is required to be counted as having improved and clearly explain how the instrument measures this.

Enter the target number for your output or outcome. Targets must be numbers, not percents.

For applicant-determined outputs and outcomes, enter the unit of measure for your target. The unit of measure should describe the population you intend to count (children, miles, etc.). Do not enter percents or member hours as units of measure. In most cases, the unit of measure should be the same for the outputs and outcomes in an aligned performance measure.

After entering data collection information for all outputs and outcomes, click “Mark Complete.” You will return to the Performance Measure tab. If you wish to create another performance measure, repeat the process. If you would like to continue to the next step of the module, click “Next.”

### **Summary Tab**

The summary tab shows all of the information you have entered in the module.

To print a summary of all performance measures, click “Print PDF for all Performance Measures.”

To print one performance measure, expand the measure and click “Print This Measure.”

Click “Edit Performance Measure” to return to the Performance Measure tab.

Click “Edit Data Collection” to return to the Data Collection tab.

Click “Validate Performance Measures” to validate this module prior to submitting your application. **You must validate your Performance Measures in order for your application to be submitted.**

## Understanding MSY and Member Allocations in the AmeriCorps\*State Application

### How to Calculate MSY and Member Allocations

In the performance measure module, applicants enter the total share of program resources (MSYs and members) that will be directed to each objective.<sup>2</sup> Member and MSY allocations entered in the application are understood to be the program’s best estimate of how member time will be allocated to various program objectives. The charts below show how a sample program could calculate its MSY allocations for different member types and different percentages of member time spent per objective. In this example, the program has a total of 135 members. All members spend some time contributing to the K-12 Success objective. Only the program’s 105 full-time and half-time members contribute to the School Readiness objective.

Objective #1: K12 Success							
Type of Member	MSY Multiplier for Type	X	Number of Members for Type	X	% of Member Time for Objective	=	MSY Allocation
FT	1	X	100	X	.50	=	50
HT	.5	X	5	X	.80	=	2
RHT	.3809524	X	10	X	1.00	=	3.81
QT	.26455027	X	10	X	1.00	=	2.65
MT	.21164022	X	10	X	1.00	=	2.17
<b>Total Members</b>			<b>135</b>	<b>Total MSYs</b>			<b>60.63</b>

Objective #2: School Readiness							
Type of Member	MSY Multiplier for Type	X	Number of Members for Type	X	% of Member Time for Objective	=	MSY Allocation
FT	1	X	100	X	.50	=	50 MSY
HT	.5	X	5	X	.20	=	.5 MSY
RHT	.3809524	X	0	X	0	=

MT	.21164022	X	0	X	0	=	
<b>Total Members</b>			<b>105</b>	<b>Total MSYs</b>			<b>50.5</b>

### How It Looks on the MSY Tab

The program enters the total number of MSYs and members for each objective on the MSY/Members tab of the performance measures module. The system automatically calculates the percentage of MSYs allocated to each objective.

The screenshot shows the 'MSY/Members' tab in the application. It includes a 'Screen Instructions' window on the left and a 'Summary' section on the right. The 'Summary' section displays the program name 'AmeriCorps', focus areas 'Education', and objectives 'School Readiness, K-12 Success'. Below this is the 'Resource Allocation' section, which includes a text input for 'Enter Total MSYs for the project' with the value '111.13' and a note: 'Enter the number of MSYs allocated to each objective. For planning grants, enter 0.' At the bottom is a table showing the allocation of MSYs and members across objectives.

Focus Area	Objective	MSY	% of total MSY	Members
Education	School Readiness	* 50.50	45.44	* 105
Education	K-12 Success	* 60.63	54.56	* 135
Sub Total:		111.13	100.00	240
GRAND TOTAL:		111.13	100.0	240

<sup>2</sup> Objectives are objectives of the CNCS strategic plan. Activity that does not contribute to a strategic plan objective is categorized as “Other.”

Note: Programs that select the Find Opportunity objective (Economic Opportunity Focus Area) or the Teacher Corps objective (Education Focus Area) must enter 0 MSYs for these objectives and allocate their MSYs to other objectives. This is because the MSY allocations are designed to show how programs' resources are allocated to activities that benefit the community. The Find Opportunity and Teacher Corps objectives are focused on benefits to members.

**How It Looks in the 424 PDF**

Table 1 and its corresponding pie chart show the total number of MSYs by Focus Area. Since both the K-12 Success and School Readiness objectives are in the Education Focus Area, Table 1 shows 100% of MSYs in Education.

**MSYs by Focus Area**

Table 1: MSYs by Focus Areas

Focus Area	% MSYs
Education	100%

Table 4 in the PDF report shows the number of MSYs and members allocated to each objective, as seen on the MSY/Members tab:

Table 4: No of MSY and Members by Objective

Objectives	No of MSYs	No of Members
K-12 Success	60.63	135
School Readiness	50.50	105
<b>Total</b>	<b>111.13</b>	<b>240</b>

Note that the total number of members does not accurately reflect the number of slots the program is requesting since some members are performing service in both objectives. The total number of MSYs does, however, reflect the total number of MSYs requested by the program.

Table 2 and its corresponding pie chart show the same MSY information expressed as percentages of the total MSYs (shown on next page):

### MSYs by Objective

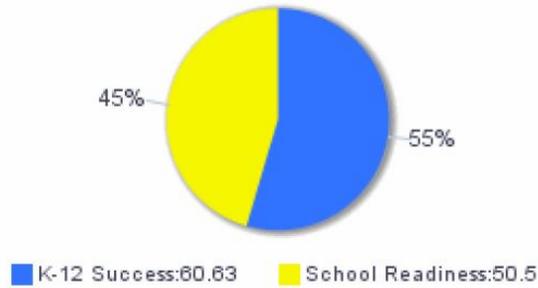

Table2: MSYs by Objectives

Objectives	%MSYs
K-12 Success	55%
School Readiness	45%

### How To Assign MSYs to Performance Measures

When a program creates an aligned performance measure, it must indicate how many MSYs and how many members will contribute to the outcomes of the aligned measure. Based on the MSY allocations already entered for the sample program, the program may allocate no more than 60.63 MSYs to K-12 Success performance measures, and no more than 50.5 MSYs to School Readiness performance measures. However, programs are not required to measure all of their activities, so it is possible that not all of these MSYs will be allocated to performance measures. Our sample program has three performance measures, one for the K-12 Success objective and two for the School Readiness objective.

Objective #1: K-12 Success							
Intervention	Aligned Performance Measure	Percent of K-12 Success Time Spent on Achieving PM Outcomes	X	Total MSYs in Objective	=	MSYs Allocated to Performance Measure	Percent of Total MSYs
Mentoring	ED3A, ED4A, ED27A	.75	X	60.63	=	45.47	41%
Parent Engagement	No performance measure.	.25	X	60.63		NA	14%

Objective #2: School Readiness							
Intervention	Aligned Performance Measure	Percent of K-12 Success Time Spent on Achieving PM Outcomes	X	Total MSYs in Objective	=	MSYs Allocated to Performance Measure	Percent of Total MSYs
Tutoring 1:1	ED20, ED21, ED23	.75	X	50.5	=	37.88	34%
Parent Engagement	Applicant-Determined Measure	.25	X	50.5	=	12.62	11%

Note: Any aligned performance measure that has member outcomes rather than beneficiary outcomes should have an MSY allocation of 0 members since MSY allocations are designed to show how programs' resources are allocated to achieving beneficiary outcomes.

**How It Looks in the 424 PDF**

Table 3 and its corresponding pie chart in the 424 PDF report show the percentage of MSYs allocated to National Performance Measures, applicant-determined performance measures, or to no performance measures. As seen in the table above, the program has two National Performance Measures (ED3A/4A/27A and ED20/21/23), accounting for 75% of total MSYs. The program has one applicant-determined measure, and a small percentage of program activity is not being measured.

**% of MSY NPM VS Applicant VS Not in ANY**

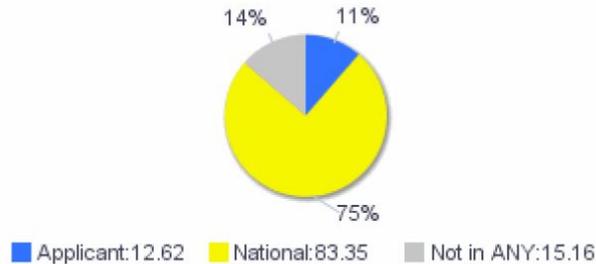

Table3: %MSYs by NPM vs.Applicant vs. Not in ANY

% MSYs	NPM	Applicant	Not in ANY
	75%	11%	14%

CNCS requires all applicants to have one aligned performance measure for the primary intervention. Applicants may have additional aligned measures provided that they measure significant programmatic activities. There is no expectation that 100% of program activity would be allocated to National Performance Measures, or to any performance measures at all.

**Performance Measures Checklist**

This checklist is used to assess performance measures during the review process. Items on the checklist are common problems that require clarification. The checklist is not a comprehensive list of all performance measure items that may require clarification. Refer to the Performance Measure Instructions for full requirements.

<b>Alignment with Narrative/TOC</b>
Focus areas, objectives, interventions, outputs and outcomes are consistent with the application narrative, logic model and theory of change.
<b>Interventions</b>
The interventions selected contribute directly to the outputs and outcomes.
Interventions are not repeated in multiple aligned performance measures.
<b>Dosage</b>
The dosage (frequency, intensity, duration of intervention) is described and is sufficient to achieve outcomes.
<b>Resource Allocation</b>
MSY and member allocation charts are consistent with the member activities/time spent on member activities described in the application narrative.
MSY allocations for performance measures are reasonable. (If it is clear that not all interventions are being measured, then 100% of MSYs should not be allocated to performance measures. CNCS expects an accurate estimate of MSYs that will lead to performance measure outcomes and does not require applicants to measure 100% of program activity or to allocate a certain percentage of activity to National Performance Measures.)
MSYs are zero for Teacher Corps (ED12, ED13, ED14, ED17, ED18, ED19) and Member Development (O12, O13, O14, O15, O16, O17) performance measures and any other performance measures that measure member outcomes rather than beneficiary outcomes (EN2, EN2.1, V2, V10).
<b>Selection Rules/Performance Measure Instructions</b>
Unless the applicant is a continuation, no retired measures (e.g., measures marked deleted or not appearing in the 2015 Performance Measures Instructions) have been selected.
The applicant has at least 1 aligned performance measure for the primary intervention.

National Performance Measures conform to selection rules, definitions and data collection requirements specified in the Performance Measure Instructions. (Compliance with definitions and data collection requirements must be clearly explained in the performance measure text boxes or must be clarified.)
Individuals counted in National Performance Measures meet definition of "economically disadvantaged" in the Performance Measure Instructions. (Note: Definitions are different for different performance measures.)
It is clear that beneficiaries are not double-counted in an aligned performance measure.
National Performance Measures count beneficiaries, not AmeriCorps members, unless the measure specifies that national service participants are to be counted.
The population counted in each National Performance Measure is the population specified in the Performance Measure Instructions.
Capacity Building interventions meet the CNCS definition of capacity-building in the PM Instructions.
Member development measures (O12, O13, O14, O15, O16, O17) have a 30-day timeline, not the previously acceptable 90-day timeline.
Applicant is not using applicant-determined member development or volunteer generation measures that are the same or similar to National Performance Measures or Grantee Progress Report demographic indicators (e.g., number of volunteers.)
Member development measures (O12, O13, O14, O15, O16, O17) or volunteer generation measures (G3-3.1, G3-3.2, G3-3.3) are only present if these activities are the primary focus of the program or a significant component of the program's theory of change.
<b>Education Selection Rules/Performance Measure Instructions</b>
Completion is defined for education outputs measuring completion. (ED2, ED4A, ED21, ED32). Note: Dosage and completion are not necessarily the same. The applicant must specify the minimum dosage necessary to be counted as having completed the program, which may or may not be the same dosage specified in the intervention description.
ED1/ED2 and ED3A/ED4A are not used in the same aligned PM.
The mentoring intervention is selected for ED3A/ED4A, and no other interventions are selected for ED3A/ED4A. Mentoring is not selected as an intervention in any education measures other than ED3A/ED4A.
The mentoring dosage meets the dosage requirements described in the Performance Measure Instructions for ED3A/ED4A.
It is clear that the proposed standardized test for ED5 and/or ED30 meets the definition in the Performance Measure Instructions.
If the state standardized test is proposed to measure ED5 and/or ED30, a justification is provided as directed in the Performance Measure Instructions. (Note: Request must be approved by CNCS.)
If the applicant is measuring multiple subjects under ED5 and/or ED30, it is clear whether/how much students must improve in reading, math or both subjects in order to be counted.
For ED27A or ED27B, the applicant specifies which dimension(s) of academic engagement described in the Performance Measure Instructions will be measured.
<b>Alignment &amp; Quality</b>
Applicant-determined outputs and outcomes are aligned correctly.
Outputs and outcomes clearly identify what is counted.
Each output or outcome counts only one thing (except certain National Performance Measures).
Outcomes clearly identify a change in knowledge, attitude, behavior or condition. (Counts that do not measure a change are outputs and must be labeled as such.)
Outcomes clearly specify the level of improvement necessary to be counted as "improved" and it is clear why this level of improvement is significant for the beneficiary population served.
Outcomes count individual level gains, not average gains for the population served.
Outcomes measure meaningful/significant changes and are aligned with the applicant's theory of change. (Note: Outcomes that do not measure significant changes in knowledge, attitude, behavior or condition should be revised. If the applicant is not able to propose a meaningful outcome, the aligned performance measure should be removed. CNCS prefers that applicants measure a small number of meaningful outcomes rather than a large number of outputs paired with insignificant outcomes.)

Outcomes can be measured during a single grant year.
<b>Data Collection/Instruments</b>
Data collection methods are appropriate.
Instruments are likely to yield high quality data.
The instrument, and what it measures, is clearly described.
If the Performance Measure Instructions specify the instrument to be used, the applicant is using that instrument (e.g., pre/post test).
The instrument measures the change specified in the outcome. (For example, if the outcome is a change in knowledge, the proposed instrument measures a change in knowledge, not a change in attitude.)
Output instruments are sufficient to count all beneficiaries served and to ensure that individuals are not double-counted.
Outcome instruments will be administered to all beneficiaries receiving the intervention or completing the program. (Note, competitive grantees may propose a sampling plan for CNCS approval if this is not the case. Formula grantees are not permitted to sample.)
<b>Pre/Post Test</b>
If using a pre/post test to measure knowledge gains from training activities, it is clear how the pre/post test is connected to the learning objectives of the training.
The timeline for administering the pre/post test is clear.
If a pre/post test is required by the Performance Measure Instructions, the instrument described is a pre/post test.
The applicant can successfully match pre-test data with post-test data at the individual level. The same instrument must be used for the pre-test and the post-test.
<b>Targets</b>
Target values appear ambitious but realistic/It is clear how targets were set.
Outcome targets are smaller than output targets, with some exceptions (i.e., capacity-building National PMs). Note: In some cases it may be appropriate for the outcome target to be equal to the output target.
The output and outcome targets are reasonably proportional. Note: What constitutes reasonably proportional may depend on what is being counted, how and when.
<b>Unit of Measure</b>
The unit of measure is not AmeriCorps members except in National Performance Measures that count national service participants.
The unit of measure is consistent for all outputs or outcomes in the PM unless otherwise specified in the Performance Measure Instructions.
The unit of measure is not hours.
The unit of measure is a number, not a percent.
<b>Sampling</b>
If sampling is proposed, the targets represent the total for the population being served, not just the sample. (Note: Formula grantees are not permitted to sample.)
If sampling is proposed, the sampling plan is forwarded to CNCS for consideration. (Note: Formula grantees are not permitted to sample.)
<b>Misc.</b>
The applicant has not opted into National Performance Measures but has the potential to do so. (In this case, clarify why the applicant has not opted into National Performance Measures and, if applicable, direct them to select appropriate National Performance Measures.)
The applicant has not created applicant-determined measures that are identical to National Performance Measures. (Note: This is a common problem that occurs when applicants have not selected the correct objective. Applicants must review the selection rules and choose the correct objectives or the corresponding performance measures will not be available for selection. Applicant-determined measures are recognizable by the labels OUTPT or OUTCM, followed by numbers. Any applications containing these labels are NOT National Performance Measures, even if the applicant has labeled them with the number of a national measure.)

**ATTACHMENT C: Detailed Budget Instructions for Cost Reimbursement Grants (eGrants Budget Section)**

Fixed Amount and Education Award Program Grants refer to Attachment E

**Section I. Program Operating Costs**

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, for Year 1 of the grant, as follows:

**A. Personnel Expenses**

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort as percentage of FTE devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee share. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff and AmeriCorps members.

**B. Personnel Fringe Benefits**

Under “Purpose/Description,” identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates, but are absorbed into the personnel expenses (salary) budget line item.

**C. 1. Staff Travel**

Describe the purpose for which program staff will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. Reimbursement should not exceed the federal mileage rate (currently \$0.54/mi) unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

**You must include at least \$2,000 in this line item for staff to travel to attend an AmeriCorps program/staff development training approved by Serve Wisconsin.**

Please itemize the costs. For example: Two staff members will attend AmeriCorps program/staff development training approved by Serve Wisconsin: 2 staff x (\$750 airfare + \$50 ground transportation + \$400 lodging (1 night) + \$35 per diem) = \$2,470.

**C. 2. Member Travel**

Describe the purpose for which members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other related expenses for members to travel outside their service location or between sites. Costs associated with local travel, such as bus passes to local sites, mileage reimbursement for use of car, etc., should be included in this budget category. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage (not to exceed the federal mileage rate), daily per diem, and similar supporting information.

**D. Equipment**

Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of **\$5,000 or more per unit** (including accessories, attachments, and modifications). Any items that do not meet this definition should be entered in Section E. Supplies. Purchases of equipment are limited to 10% of the total CNCS funds requested. If applicable, show the unit cost and number of units you are requesting. Provide a brief justification for the purchase of the equipment under Item/Purpose.

**E. Supplies**

AmeriCorps members must wear an AmeriCorps logo on a daily basis – preferably clothing with the AmeriCorps logo. The item with the AmeriCorps logo is a required budget expense. Please include the cost of the item with the AmeriCorps logo in your budget or explain how your program will be providing the item to AmeriCorps members

without using grant funds. Grantees may add the AmeriCorps logo to their own local program uniform items using federal funds. Please explicitly state that your program will be using the AmeriCorps logo in the budget description.

Include the amount of funds to purchase consumable supplies and materials, including member service gear and equipment that does not fit the definition above. You must individually list any single item costing \$1,000 or more. Except for safety equipment, grantees may only charge the cost of member service gear to the federal share if it includes the AmeriCorps logo. All safety gear may be charged to the federal share, regardless of whether it includes the AmeriCorps logo. All other service gear must be purchased with non-CNCS funds.

#### **F. Contractual and Consultant Services**

Include costs for consultants related to the project's operations, except training or evaluation consultants, who will be listed in Sections G. and H. There is not a maximum daily rate.

##### **G. 1. Staff Training**

Include the costs associated with training staff on project requirements and training to enhance the skills staff need for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

##### **G. 2. Member Training**

Include the costs associated with member training to support them in carrying out their service activities. You may also use this section to request funds to support training in Life after AmeriCorps. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

#### **H. Evaluation**

Include costs for project evaluation activities, including additional staff time or subcontracts, use of evaluation consultants, purchase of instrumentation, and other costs specifically for this activity not budgeted in Personnel Expenses. This cost does not include the daily/weekly gathering of data to assess progress toward meeting performance measures, but is a larger assessment of the impact your project is having on the community, as well as an assessment of the overall systems and project design. Indicate daily rates of consultants, where applicable.

#### **I. Other Program Operating Costs**

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for all members and for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal and/or non-federal share). Please include the cost for these checks for staff and members or explain how your program will be covering the cost in the budget narrative.
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Utilities, telephone, internet and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff, and are not part of the organization's indirect cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Recognition costs for members. List each item and provide a justification in the budget narrative. Gifts and/or food in an entertainment/event setting are not allowable costs.

**In addition, all programs are required to budget funds for payment of fees for the OnCorps online reporting system at the following rates:**

- All programs except EAP and Fixed-Amount Professional Corps: \$1.40 per awarded FT, HT, RHT, and QT member per month for 12 months, plus \$1.00 per awarded MT member per month for 12 months. Add this specific line item in your budget for this expense.
- All EAP and Fixed-Amount Professional Corps: \$1.00 per awarded member per month for 12 months. Though this expense will not appear in the application budget, EAP and Fixed-Amount Professional Corps applicants must plan to pay this expense.

#### **Section II. Member Costs**

Member Costs are identified as "Living Allowance" and "Member Support Costs." Your required match can be federal, state, local, or private sector funds.

## A. Living Allowance

The narrative should clearly identify the number of members you are supporting by category (i.e., full-time, half-time, reduced-half-time, quarter-time, minimum-time) and the amount of living allowance they will receive, allocating appropriate portions between the CNCS share and grantee share (match).

The minimum and maximum living allowance amounts are provided in the *RFP*.

In eGrants, enter the total number of members you are requesting in each category. Enter the average amount of the living allowance for each type of member. In addition, enter the number of members for which you are not requesting funds for a living allowance, but for which you are requesting education awards.

## B. Member Support Costs

Consistent with the laws of the states where your members serve, you must provide members with the benefits described below.

- **FICA.** Unless exempted by the IRS, all projects must pay FICA for any member receiving a living allowance, even when CNCS does not supply the living allowance. If exempted, please note in the narrative. In the first column next to FICA, indicate the number of members who will receive FICA. Calculate the FICA at 7.65% of the total amount of the living allowance.
- **Worker's Compensation.** Although under federal law members are not considered to be "employees" for purposes of the program, federal law appears to provide an exception for workers' compensation purposes. Wisconsin requires that all AmeriCorps members are covered by the agency workers' compensation plan for service-related injuries. Costs incurred providing workers' compensation for members is an allowable cost to the grant.
- **Health Care.** You must offer or make available health care benefits to full-time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full-time members with CNCS funds. You may choose to provide health care benefits to less-than-full-time members from other sources (i.e., non-federal) but the cost cannot be included in the budget. Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) are eligible for health care benefits. In your budget narrative, indicate the number of members who will receive health care benefits. CNCS will not pay for dependent coverage.
- **Unemployment Insurance and Other Member Support Costs.** According to WI State Statute 1.8.02(15)(j)7., AmeriCorps members are not considered employees for the purposes of unemployment insurance coverage, with the exception of Professional Corps members; therefore, members should not be listed on the agency/organization quarterly employee listing for the purposes of unemployment insurance coverage. If you do include the members on your unemployment report, you run the risk of losing an unemployment ruling and being forced to pay unemployment to a former member. Federal funds cannot be used for any member unemployment claims.

## Section III. Administrative/Indirect Costs

### Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Uniform Guidance.

### Options for Calculating Administrative/Indirect Costs (choose either A, B, OR C)

Applicants choose one of three methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method, a federally approved indirect cost rate method, or a de minimis method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant. Do not create additional lines in this category. See Attachment J for instructions on how to enter.

#### A. CNCS-Fixed Percentage Method

##### Five Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of the CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the maximum CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as Corporation share. The factor 0.0526 is used to calculate the 5% maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.
2. To determine the Grantee share for Section III: Multiply the total (both CNCS and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.
3. Enter the sum of the CNCS and grantee shares under Total Amount. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

Example: CNCS Section I (\$250,000) + CNCS Section II (\$100,000) = \$350,000 x 0.0526 = \$18,410.  
Total Section I (\$400,000) + Total Section II (\$200,000) = \$600,000 x 0.10 = \$60,000.  
CNCS Share of Administrative Costs = \$18,410. Grantee Share of Administrative Costs = \$60,000.

### **B. Federally Approved Indirect Cost Rate**

If you have a federally approved indirect cost rate, this method must be used and the rate will constitute documentation of your administrative costs, not to exceed the 5% maximum federal share payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). CNCS does not restrict the overall indirect cost rate claimed. It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.
2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.
3. To determine the Grantee share: Subtract the amount calculated in step 2 (the CNCS administrative share) from the amount calculated in step 1 (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

### **C. De Minimis Rate of 10% of Modified Total Direct Costs**

Organizations that have **never**, at any point in time, held a federally negotiated indirect cost rate (except for those non-Federal entities described in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph (d)(1)(B)) and that receive less than \$35 million in direct federal funding may indefinitely use a de minimis rate of 10% of modified total direct costs (MTDC). Additional information regarding what is included in MTDC and use of this option can be found at 2 CFR 200.414(f) and 200.68. If this option is elected, it must be used consistently across all federal awards.

### **Source of Funds**

In the "Source of Funds" field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. Define all acronyms the first time they are used. The total amount of Source of Match should equal the Grantee Share amount.

Note: the value of the Segal Education Awards that members earn for their service is not identified in the budget. Also, the childcare reimbursements provided to eligible full-time members is not included in the budget.

**ATTACHMENT E: Detailed Budget Instructions for Fixed Amount Grants (eGrants Budget Section)**

**These instructions apply only to applicants for fixed-amount grants, including education award program (EAPs) applicants.**

EAP and Fixed-Amount grant applicants may only request a fixed amount of funding per MSY. Therefore, Fixed-Amount applicants are not required to complete a detailed budget or complete the grantee share column. However, you must complete the source of match chart to identify the sources of the additional revenue you need to operate the program. If you are applying for a Stipended Fixed-Amount grant, you must pay at least the minimum living allowance listed in the RFP for each type of position you are proposing.

Note: While Fixed Amount and EAP applicants are not required to provide a detailed budget, they must have a plan to cover the expenses of required National Service Criminal History Checks for all AmeriCorps members and grant-funded staff, \$2,000 to attend an AmeriCorps program/staff development training approved by Serve Wisconsin, and \$1.00 per member per month for 12 months for the cost of OnCorps reporting.

**Budget Section II. AmeriCorps Member Positions**

**Member Positions**

Identify the number of members you are requesting by category (i.e. full-time, half-time, reduced half-time, quarter-time, minimum-time) and list under the column labeled **#w/o Allow** (without CNCS-funded living allowance.) **Leave all other columns blank.** The total number of member service years (MSY) will **automatically calculate** at the bottom of the Member Positions chart. The MSY are calculated as follows:

Member Positions	Calculation	MSY
_____ Full-time (1700 hours)	(_____ members x 1.000)	=
_____ Half-time (900 hours)	(_____ members x 0.500)	=
_____ Reduced half-time (675 hours)	(_____ members x 0.3809524)	=
_____ Quarter-time (450 hours)	(_____ members x 0.26455027)	=
_____ Minimum-time (300 hours)	(_____ members x 0.21164022)	=
	<b>Total MSY</b>	

Under "Calculation," you will enter the calculation for your grant request. EAP Applicants may request up to \$800 per member service year (MSY).

**Fixed Award:** Display your calculation in the following format:

Total # of MSYs \_\_\_\_\_ x MSY amount (See RFP for amounts) \_\_\_\_\_ = Total Grant Request \$ \_\_\_\_\_

Type the total amount requested in the "Total Amount" & "CNCS Share" columns. Leave the "Grantee Share" blank. See example below (applies to a Stipended Fixed Amount grant):

## ATTACHMENT G: Alternative Match Instructions

---

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

**Special Circumstances for an Alternative Match Schedule:** Under very rare circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35% instead of 50% as specified in the regulations at §2521.60(b). To qualify, you must demonstrate that your program is either located in a rural county or in a severely economically distressed community as defined below.

**A. Rural County:** In determining whether a program is rural, CNCS will consider the most recent Beale code rating published by the U.S. Department of Agriculture for the county in which the program is located. Any program located in a county with a Beale code of 4, 5, 6, 7, 8 or 9 is eligible to apply for the alternative match requirement. See Attachment H for the Table of Beale codes.

**B. Severely Economically Distressed County:** In determining whether a program is located in a severely economically distressed county, CNCS will consider the following list of county-level characteristics. See Attachment H for a list of website addresses where this publicly available information can be found.

- The county-level per capita income is less than or equal to 75 percent of the national average for all counties using the most recent census data or Bureau of Economic Analysis data;
- The county-level poverty rate is equal to or greater than 125 percent of the national average for all counties using the most recent census data; and
- The county-level unemployment is above the national average for all counties for the previous 12 months using the most recently available Bureau of Labor Statistics data.
- The areas served by the program lack basic infrastructure such as water or electricity.

**C. Program Location:** Except when approved otherwise, CNCS will determine the location of your program based on the legal applicant's address. If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you must provide relevant facts about your program location in your request. CNCS will, in its sole discretion, determine whether some other address is more appropriate for determining a program's location.

If your program is located in one of these areas, see the instructions below for applying for this alternative match schedule. You must submit your request to the alternative schedule per the information contained in the *RFP*. CNCS will review your request and notify you within 30 days if you qualify for the alternative schedule and provide instructions for entering your budget into eGrants under the Alternative Match Schedule.

If approved for the alternative schedules, programs will base their budget in the upcoming application on the approved alternative match. The alternative match requirement will be in effect for whatever portion of the three-year project period remains or if applying as a new grantee, for the upcoming three-year grant cycle.

**D. Instructions for the Alternative Match Schedule:** Programs operating in one state must send their requests to the Wisconsin National and Community Service Board (i.e., Serve Wisconsin) for review and approval. The Commission will then forward the approved request to CNCS for consideration.

**Submit your request via e-mail to [servewisconsin@wisconsin.gov](mailto:servewisconsin@wisconsin.gov) by the application due date of November 2, 2016 at 4:30 PM Central Time.**

## ATTACHMENT H: Beale Codes and County-Level Economic Data for Alternative Match Requests

### Rural Community

**Beale codes** are published by the U.S. Department of Agriculture and are used to classify counties as being more urban or more rural. Counties are designated on a scale from one to nine according to the following descriptions:

2003 Beale Codes		
Code#	Metropolitan Type	Description
1	Metropolitan	Counties in metro areas of 1 million population or more
2	Metropolitan	Counties in metro areas of 250,000 to 1 million
3	Metropolitan	Counties in metro areas of fewer than 250,000
4	Non-metro	Urban population of 20,000 or more, adjacent to a metropolitan area
5	Non-metro	Urban population of 20,000 or more, not adjacent to a metropolitan area
6	Non-metro	Urban population of 2,500 to 19,999, adjacent to a metropolitan area
7	Non-metro	Urban population of 2,500 to 19,999, not adjacent to a metropolitan area
8	Non-metro	Completely rural or less than 2,500 urban population, adjacent to a metropolitan area
9	Non-metro	Completely rural or less than 2,500 urban population, not adjacent to a metropolitan area

Any program located in a county with a Beale code of 4, 5, 6, 7, 8, or 9 is eligible to apply for the alternative match.

## Attachment J: eGrants Indirect Cost Rate (IDCR) User Instructions

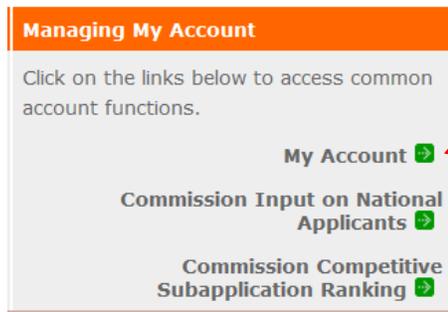

---

A new feature has been introduced to eGrants which allows users to input Indirect Cost Rate information into their eGrants account. Grantees that will be claiming indirect costs on CNCS awards are required to enter the following indirect cost rates in eGrants: federally negotiated rates, state negotiated rates, and the use of de minimis rate of 10% of modified total direct costs (MTDC). Recipients of AmeriCorps State and National awards may only charge 5% of their negotiated rate to the federal share of the award, with the remaining balance being charged to match (See [45 CFR §§ 2521.95](#) and [2540.110](#)). See Attachment C – Detailed Budget Instructions for more information.

**Once a rate is entered & saved in eGrants, it cannot be edited.** If users inadvertently enter incorrect information, a new entry must be submitted with the correct information.

### **Entry for the IDCR screen can be accessed using the following steps:**

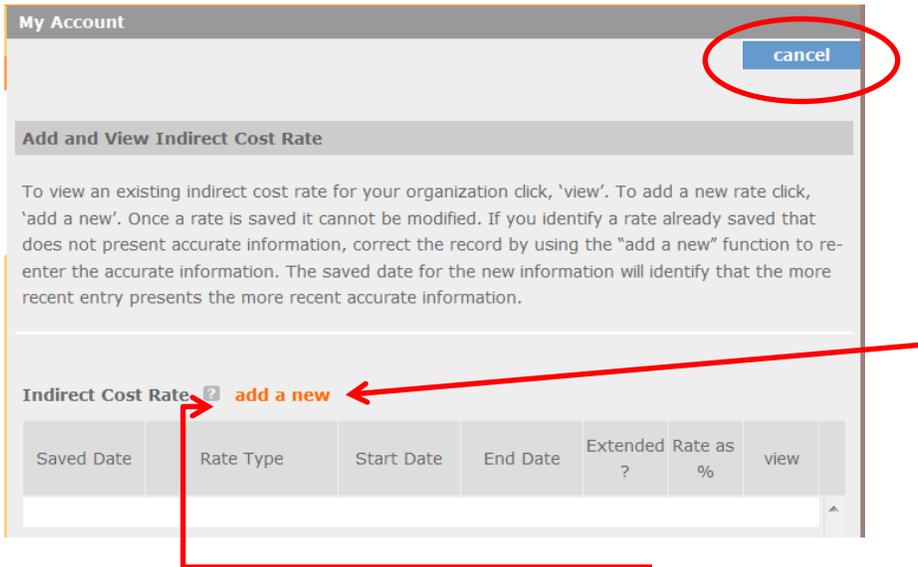

- 1) From the **eGrants Home** screen, in the lower panel under **Managing My Account**, click on **My Account**

- 2) From the **My Account** screen, under **Edit My Organization Info**, click on **Add and View Indirect Cost Rate**

- 3) From the **Add and View Indirect Cost Rate** screen, select **add a new** to add a rate or **cancel** to back out of the screen. (see following page)

Field by field instructions can be found by clicking the “?” located next to Indirect Cost Rate or Indirect Cost Rate Record.

If **add a new** is selected, the screen below will pop up.

4) **Do you have an Indirect Cost Rate to record?** Respond Yes or No. If **NO** is selected, users cannot go any further & nothing will be recorded. If **Yes** is selected, users can continue on.

If your organization will be claiming a current, approved indirect cost rate on any CNCS award, it must be reported on this page. The rate information you record will be used in all award negotiation and reviews until it

is superseded by a new approved rate, or expires. Applicants will have the opportunity to identify, in application submissions, if they elect to use a lesser percentage of an approved rate.

- 5) **Rate Type:** If your rate type is not one of the following options, contact your grants officer for guidance:  
**Federally Negotiated** – select if your rate has been negotiated by your cognizant federal agency. Cognizance is determined by the agency which provides the highest amount of direct federal funding;  
**State Negotiated** – select if your rate has been negotiated by a state agency or other pass through entity; or  
**10% of MTDC** – select if your organization qualifies for & elects to use the 10% de Minimus rate of Modified Total Direct Costs (MTDC). Organizations qualify for this rate if they have NEVER had a federally negotiated rate. State entities must also not receive more than \$35 million in direct federal funding.

**Rates must be used consistently across ALL federal awards.**

- 6) **Issuing Agency.** Respond by selecting the federal agency that approved your rate, or if the federal agency who issued your rate is not listed, select **Other**, or if your rate is issued by a state agency select **Other**.  
Identify federal agencies using the drop down list. If your rate is approved by a federal agency other than the ones listed, notify your grants officer. Other federal agencies may be added as needed.
- 7) **Acceptance Date.** Enter a valid date.  
The acceptance date is usually identified where the rate was signed by the issuing state or federal agency.
- 8) **Rate Status.** Select one of the following: **Final, Provisional, Predetermined, Fixed, Other, or Other – 10%.** Rates issued by federal agencies will almost always be final or provisional. However, if your organization has formally notified a federal or state agency of your eligibility and intent to use the 10-percent of MTDC rate, select **Other – 10%**. If your organization has a **predetermined** or **fixed rate**, select those options accordingly. If a state rate indicates a term that is not listed here select **Other** and notify your grants officer. Additional rate status options may be added as needed.
- 9) **Effective From.** Enter a valid date.  
The effective from date is found on your indirect cost rate document. If using the 10-percent of MTDC rate, enter today's date or the date your organization formally started charging costs under the 10-percent of MTDC rate.
- 10) **Effective To.** Enter a valid date.  
The effective to date is found on your indirect cost rate document. If your organization has received approval to extend your rate, enter the end date of the extension.
- 11) **No Expiration.** Check or leave unchecked.  
If your rate does not have an expiration date, as is the case with the use of the 10-percent of MTDC rate, check this box, otherwise, leave unchecked.
- 12) **Extended?** Respond Yes or No.  
If the rate "effective to" date has been extended with approval of the federal cognizant agency under authority of the 2014 Omni Circular, respond **Yes**. If it is not an extended rate effective to date, respond **No**.
- 13) **Rate Base.** Enter up to 500 characters including spaces.  
Enter the text as found on your indirect cost rate approval document. For rates issued by state agencies, enter either the rate base used to determine the indirect cost pool as stated on your indirect cost rate approval document or "State Rate N/A." If you need more than 500 characters, indicate "Summary" and record the most important content.
- 14) **Treatment of Fringe Benefits.** Enter up to 500 characters including spaces.  
Enter the text as found on your indirect cost rate approval document. For rates issued by state agencies, enter either the how fringe benefits were treated in determining the indirect cost rate as stated on your indirect cost rate approval document or "State Rate N/A." If you need more than 500 characters, indicate "Summary" and record the most important content.

- 15) **Treatment of Paid Absences.** Enter up to 500 characters including spaces.  
Enter the text as found on your indirect cost rate approval document. For rates issued by state agencies, enter either the how paid absences were treated in determining the indirect cost rate as stated on your indirect cost rate approval document or "State Rate N/A." If you need more than 500 characters, indicate "Summary" and record the most important content.
- 16) When you have completed all of the above entries, click the "**save & close**" button at the bottom of the page.

- **Once a rate is saved it cannot be modified.**
  - If users inadvertently enter incorrect information, a new entry must be submitted with the correct information.
  - If you would like to cancel your entry, click the "**cancel**" button and the entry will be cancelled. All entry information will be lost & no entry will be shown.
- 17) **Order of Rates** - Once an entry is saved, users will be able to see the rates they have entered. Rates will display in the order of entry. Entry of rates will provide users and CNCS with a historical record which can be used to clarify indirect cost rate inquiries for monitoring, consistent record maintenance, & audits.
