1.0 GENERAL INFORMATION
This Request for Proposals (RFP) should be read together with the AmeriCorps Regulations 45 CFR Sections 2520 – 2550, which can be found at http://www.nationalservice.gov/pdf/45CFR_chapterXXV.pdf, the RFP Glossary (Section 8.0), Application Instructions and Attachments, which are incorporated by reference. The documents can be found at http://www.servewisconsin.wi.gov, under AmeriCorps Funding. The full regulations are available online at www.ecfr.gov. TTY number is 800-833-3722.

Applicants should also have familiarity with the 2016-2018 Wisconsin State Service Plan, which can be found at: http://servewisconsin.wi.gov/documents/StateServicePlan.pdf.

The mission of the Corporation for National and Community Service (CNCS) is to improve lives, strengthen communities, and foster civic participation through service and volunteering. CNCS—through its AmeriCorps and Senior Corps programs—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

Through all its programs, CNCS seeks to expand economic opportunity – helping Americans acquire the skills, education, and training they need for productive employment. By helping Americans graduate, pursue higher education, and find work, national service can provide immediate and long-term benefits by expanding individual opportunity, building family stability, and creating more sustainable, resilient communities.

1.1 Intent and Purpose of this Request for Proposals (RFP)
The purpose of this RFP is to solicit proposals to plan to establish AmeriCorps*State programs in Wisconsin. Proposals must be from eligible organizations seeking funding to operate an AmeriCorps program in Wisconsin only. AmeriCorps*State planning grants provide up to 12 months of funding to help organizations prepare to submit an application for a full AmeriCorps program grant, to develop the infrastructure and receive the training needed to manage an AmeriCorps program, which includes recruiting, training, and supporting AmeriCorps members; however, funding is not intended for the costs associated with writing an AmeriCorps application.

1.1.1 Purpose of AmeriCorps*State
The purpose of AmeriCorps*State is to engage AmeriCorps members in direct service and capacity building activities to address unmet community needs. Local programs design service activities for a team of members serving full- or part-time for up to one year. Grants up to $75,000 are awarded on a competitive basis to projects that support education, healthy futures, environmental stewardship, veterans, economic opportunities, public safety, disaster preparedness, capacity building, and other identified needs in Wisconsin.

An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

1.1.2 AmeriCorps*State Planning Grants
AmeriCorps*State planning grants allow organizations to begin developing their plans to host an AmeriCorps program. Planning grant activities may involve work to establish a new program in Wisconsin or to replicate a successful existing program model in unserved or underserved areas of the state. Organizations use planning grants to become better prepared to compete for an AmeriCorps program grant in the subsequent grant cycle (2018-2019 or 2019-2020). Planning grants may not be used to support AmeriCorps members or pay for costs associated with writing a Federal grant.

1.2 Award Information

1.2.1 Award Period
Programs funded through State Formula Funds (such as those to be funded under this RFP) are funded for one year projects only. Programs must apply for competitive funding for subsequent years in fall 2017 for the 2018-2019 program year.

1.2.2 Project Period
The project start date is proposed by the applicant and is for one year, beginning August 15, 2017 or September 1, 2017, and ending no later than August 14, 2018 or August 31, 2018, respectively. The project...
start date may not occur prior to the date CNCS awards the grant. The grantee may not incur any costs prior to the start of the planning grant contract.

1.3 **Eligibility Information**
The following Non-Federal entities (as defined in 2 C.F.R. §200.69) who have a DUNS number and are registered in the System for Award Management (SAM) are eligible to apply:

- Indian Tribes (2 C.F.R. §200.54)
- Institutions of higher education (§200.54)
- Local governments (§200.64)
- Nonprofit organizations (§200.70)
- States (§200.90)

Receiving funding previously from CNCS or another Federal agency is not a prerequisite to apply under this RFP.

NOTE: In order to be eligible for Formula funding through the Board, an applicant shall be one of the following at the time of application for Formula funds: Wisconsin state or local government entity, or one of the following if its governing body operates within the state of Wisconsin: a federally recognized Indian tribe, a public or private nonprofit organization (organized as a tax-exempt entity under the federal IRS Code, including religious organizations and labor organizations), or an institution of higher education as defined in Wisconsin Statute 118.55(1). The only exception to this policy would be for an annual Formula process in which all other possible Formula funding options have been considered and Formula funding remains unallocated. In cases where Formula funds would otherwise remain unallocated, those funds could be provided to an entity that does not meet the requirements of this policy.

Organizations that have been convicted of a federal crime are disqualified from receiving the assistance described in this RFP. Pursuant to the Lobbying Disclosure Act of 1995, an organization described in Section 501(c)(4) of the Internal Revenue code of 1986, 26 U.S.C. § 501 (c)(4), that engages in lobbying activities is not eligible to apply.

Receiving funding previously from CNCS or another Federal agency is not a prerequisite to applying under this RFP. Only organizations seeking to operate a program in the State of Wisconsin may apply through this RFP.

1.4 **Cost Sharing or Matching**
A first-time successful applicant is required to match a minimum of 24 percent of the total project cost for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 CFR §2521.60 and Pub. L. 113-76, Division H, Title IV, § 402 https://beta.congress.gov/113/plaws/publ76/PLAW-113publ76.htm.

Section 121(e)(5) of the National and Community Service Act of 1990, as amended, requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to CNCS on a Federal Financial Report. Grantees must track and be prepared to report on that match separately each year and at closeout.

**How to Calculate Minimum Match Requirement**

\[
\text{\$ CNCS (Federal) Request} \times 0.76 = \text{\$ TOTAL AWARD} \\
\text{\$ TOTAL AWARD} - \text{\$ CNCS Request} = \text{Minimum \$ Grantee Share (24%)}
\]

1.4.1 **Indirect Costs**
CNCS allows applicants to include indirect costs in application budgets. Based on qualifying factors, applicants have the option of using a federally approved indirect cost rate, a 10% de minimis rate of modified total direct costs, or may claim certain costs directly as outlined in 2 C.F.R. §200.413 Direct costs. States, local governments, and Indian Tribes may use approved cost allocation plans. All methods must be applied consistently across federal awards. Applicants who hold a federal negotiated indirect cost rate or will be using the 10% de minimis rate must enter that information in the Organization section in eGrants; however, under section 121(d) of the NCSA and CNCS’s regulations at 45 C.F.R. §2517.710, no more than five percent of award funds may be used to recover indirect costs on AmeriCorps grants. See the Application Instructions and Attachments for more information.

- Executive Summary
- Program Design
- Organizational Capability
- Cost Effectiveness and Budget Adequacy

Proposals must be double-spaced, with Arial or Times New Roman 11-point font, and 1” margins. Applications may not exceed 14 pages for items listed above, exclusive of the budget (Appendix B). Reviewers will not consider submitted material that is over the page limit. Do not submit other items not requested in the **RFP** or Application Instructions. The Board will not review or return them.

A. Executive Summary (Required – 0%)

Fill in the blanks below to complete the Executive Summary. **Do not deviate from this template.**

[Name of the organization] proposes to develop an AmeriCorps program serving in [the location(s) the AmeriCorps program will serve] that will focus on the CNCS focus area(s) of [CNCS focus area(s)]. The CNCS investment of $[amount of request] will be matched with $[total amount of projected match], $[amount of local, state, tribal, and/or federal funds] in public funding and $[amount of non-governmental funds] in private funding. No AmeriCorps members will be needed to execute this plan.

B. Program Design (70%)

Reviewers will consider the quality of the application’s response to the criteria below. Do not assume all sub-criteria are of equal value. The Program Design should describe why you are applying for a planning grant and what you hope to achieve during the one-year planning period.

1. Problem/Need (10 points)

- Clearly describe how the community need/problem is prevalent and severe in communities where the program plans to serve and the need has been well documented with relevant data.
- Provide a clear explanation for why a planning grant is needed to address the community problem/need.

2. Program Model (30 points)

Applicants are to describe to what their proposed AmeriCorps program plans to achieve once operational. While the planning grant will help to determine specifics of the program, applicants should include as much information as possible about the potential AmeriCorps program. More information about how the applicant will determine the criteria below should be included in the **Planning Process** section.

- Describe where you expect AmeriCorps members to serve. Describe what plans you have for how AmeriCorps members would be supervised at those host sites.
- Describe the activities in which you propose to engage AmeriCorps members and how those activities will address the identified community need(s).
- Describe how AmeriCorps members will utilize volunteers to enhance program delivery.
• Provide an estimate of how many AmeriCorps members your program would support and whether they would serve on a full-time or part-time basis. (Note: Serve Wisconsin prefers to fund programs that engage at least 20 members each year.)
• Explain how AmeriCorps members are a highly effective means to solve this community problem.
• Explain how AmeriCorps members will be addressing an unmet need and will not be duplicating or displacing any current staff, volunteers, or other services.

3. Planning Process (30 points)
Provide a description of your planning process with timeline and benchmarks for planning activities and how you will use the planning period to develop your capacity to effectively manage an AmeriCorps program. Examples of planning activities should include:
• Identifying and hiring a consultant to help with the planning process or how the organization will obtain the necessary training and technical assistance needed in order to plan and manage an effective, compliant AmeriCorps program.
• Determining the most appropriate AmeriCorps member activities to address the identified community need.
• Determining the desired characteristics of AmeriCorps members and developing a recruitment strategy.
• Developing a performance measurement system to ensure that reliable data is gathered to demonstrate impact on the communities to be served.
• Describing how the applicant will identify or develop an evidence-based program model.
• Creating a process for selecting operating and host sites (if applicable) that will ensure the most appropriate and capable organizations are selected.

C. Organizational Capability (20% - 20 points)
Describe your organization’s ability to successfully plan an AmeriCorps program, including:
1. Primary and secondary contacts for the grant application and their current role and experience.
2. The amount of time staff member(s) will support the program during the planning grant, including the amount of time the organization plans to have staff member(s) support the implementation of the program the following year.
   NOTE: Time spent writing AmeriCorps applications may not be counted towards this grant. This includes both CNCS-funded and grant-funded staff time.
3. Prior experience administering federal funds.
4. Prior experience in the proposed area of programming.
5. The management and staff structure and the roles the board of directors, administrators, and staff will play in the planning process.
6. Systems and processes for sound programmatic and fiscal oversight or plans to develop this capacity.
7. Identify any existing partners and plans to engage community members and partner organizations in the planning process.

D. Cost Effectiveness and Budget Adequacy (10%)
1. Cost Effectiveness (5 points)
• Describe the amount and sources of match secured to date, and any plans to secure additional match by the project start date if needed.
• Describe your plans to develop a cost-effective program, including how you will develop diverse resources that will support your program implementation and sustainability.
• Discuss the adequacy of your budget to support the planning process including your match.

2. Budget Template(5 points)
Planning Grant Applicants may apply for up to a maximum of $75,000, and must prepare detailed budgets and meet matching requirements (See Section 1.4). Planning grant applicants may not request funding for any member or grant writing related expenses. Follow the detailed budget instructions in the Application Instructions and Attachments to prepare your budget and enter into Appendix B: AmeriCorps Planning Grant Budget Template.

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative, should be free from mathematical errors, with proposed costs that are allowable, reasonable, and allocable to the award. The Budget should also contain adequate information to assess how each line item is calculated, and should be in compliance with the budget instructions contained in the Planning Grant Application Instructions and Attachments document.

Each proposal shall stipulate that it is predicated upon the requirements, terms, and conditions of this RFP and any supplements or revisions thereof.

Any contact with WNCSB staff or Board members concerning this RFP is prohibited, except as authorized by the RFP Manager during the period from the date of release of the RFP until the Board approves final grant applications for AmeriCorps funding for the 2017-2018 program year.

2.3 Technical Assistance
The Board intends to provide technical assistance to ensure that strong proposals are developed. The following policies will be followed as a fair process for the provision of technical assistance given available resources:

2. Staff will only respond to applicants who have reviewed the available written materials and have a specific question to be answered. Questions may only be submitted in writing (see above).
3. Staff will only provide answers to specific questions and make general comments regarding the regulations and RFP, as opposed to providing specific programmatic suggestions for a particular applicant.
4. Staff will not review proposal drafts.
5. In compliance with federal regulations regarding conflict of interest, WNCSB Board members will not provide any form of technical assistance to a potential grant applicant. Instead, they will refer applicants to the RFP Manager.
6. The Board will provide applicants with technical assistance on entering and submitting proposals in eGrants and will provide guidance to programs on how to access assistance from the eGrants Help Desk.

2.4 Reasonable Accommodations
Upon request, reasonable accommodations will be provided by the Board including the provision of information materials in an alternative format for individuals with disabilities. For special needs, contact the RFP Manager at servewisconsin@wisconsin.gov.
2.5 **How to Submit an Application in eGrants**

If an AmeriCorps Program Planning Grant proposal is approved for funding by the Wisconsin National and Community Service Board on June 8, 2017, the applicant must enter their application electronically via the CNCS web-based system, eGrants (www.egrants.cns.gov). Because it is a unique system, it is recommended that applicants create an eGrants account now and begin the application creation process as soon as possible. Please note the length of a document in word processing software may be different than what will print out in eGrants.

2.5.1 **Technical Difficulties**

Contact the National Service Hotline at 800-942-2677 or https://questions.nationalservice.gov/app/ask if a problem arises while creating an account or while preparing or submitting an application in eGrants.

National Service Hotline hours are Monday through Thursday 9:00 a.m. to 7:00 p.m. ET. If you contact the Hotline, be prepared to provide the application ID, organization name, and the **RFP** to which your organization is applying.

2.6 **Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)**

Applications must include a DUNS number and an Employer Identification Number. The DUNS number does not replace an Employer Identification Number. DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online: http://fedgov.dnb.com/webform. The website indicates a 48-hour e-mail turnaround time on requests for DUNS numbers; however, CNCS suggests registering at least 30 days in advance of the application due date. After obtaining a DUNS number, all applicants must be registered with the Systems for Award Management (SAM) at https://www.sam.gov/portal/public/SAM/.

SAM collects, validates, stores, and disseminates data in support of Federal agency contracts, grant awards, cooperative agreements, and other forms of federal assistance. All grant recipients are required to maintain a valid SAM registration, which must be renewed annually. Applicants that are not already registered with SAM are urged to begin the registration process immediately in order to avoid any delays in submitting applications. Applicants must have a DUNS number in order to register with SAM. To register online go to https://www.sam.gov/portal/public/SAM/.

2.7 **Calendar of Events**

Listed below are specific and estimated dates and times of actions related to this **RFP**. The actions with specific dates must be completed as indicated unless otherwise changed by the Board. In the event that the Board finds it necessary to change any of the specific dates and times in the calendar of events listed below, it will do so by issuing a supplement to this **RFP**. There may or may not be a formal notification issued for changes in estimated dates and times. Meeting dates will be posted on the Board’s Web site at www.servewisconsin.wi.gov, and all meetings are publicized as open meetings.

Staff will prepare funding recommendations to the Board based on the results of this review.

3.3 **CNCS Award Administration Information**

3.3.3 **National Service Criminal History Check Requirements**
The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. The law requires recipients to conduct and document NSCHCs
on any person (including award-funded staff, national service participants, or volunteers) receiving a salary, living allowance, stipend or education award through a program receiving CNCS funds. An individual is ineligible to serve in a position that receives CNCS funding (member or staff) if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.

Unless CNCS has provided a recipient with a written exemption or written approval of an alternative search procedure, recipients must perform the following checks –

All award-funded staff, national service participants and volunteers receiving a salary, living allowance, stipend or education award must undergo NSCHCs that include:

1. A nationwide name-based search of the National Sex Offender Public Website (NSOPW) at www.nsopw.gov; and
2. Either
   a. A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work or
   b. A fingerprint-based FBI criminal history check.

Special Rule for Persons Serving Vulnerable Populations

Award-funded staff, national service participants, and volunteers with recurring access to vulnerable populations (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

1. A nationwide name-based search of the National Sex Offender Public Website (NSOPW) at www.nsopw.gov; and
2. Both
   a. A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; and
   b. A fingerprint-based FBI criminal history check.

Additionally, all national service participants serving in a program funded through the Wisconsin National and Community Service Board must undergo a check of the Wisconsin Circuit Court Access website. This is not required for grant-funded staff.

See 45 C.F.R. §2540.200 - §2540.207 and http://www.nationalservice.gov/resources/criminal-history-check for complete information and FAQs. Vendor checks (checks performed by commercial vendors) are often noncompliant with these requirements. Inability of a grantee to demonstrate that they have conducted an NSOPW and other required criminal history checks, as specified in CNCS’s regulations, may result in a disallowance of all or part of the costs associated with noncompliance.

3.3.4 Use of Material

To ensure that materials generated with CNCS funding are available to the public and readily accessible to grantees and non-grantees, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so. 45 CFR § 2543.36; 2541.30

3.3.5 Re-Focusing of Funding

CNCS reserves the right to re-focus funding in the event of disaster or other compelling need for service.

3.4 Right to Reject Proposals and Negotiate Contract Terms

The Board reserves the right to reject any or all proposals. The Board may negotiate the award amount, authorized budget items, type and number of AmeriCorps MSYs or slots, and specific programmatic goals with the selected applicants prior to entering into an agreement with an applicant.

3.5 Public Inspection of Proposals

After notification of awards is made by CNCS and/or the Board, and under the supervision of Board staff, copies of proposals will be available for public inspection from 8:00 a.m. to 4:00 p.m. at 1 W. Wilson St., Room B274, Madison, WI. Applicants should schedule reviews by e-mailing servewisconsin@wisconsin.gov. No entire proposal submitted to the state may be marked as confidential, and any materials so marked, by being included in the application, will be considered public information. Evaluation tabulation and scoring by individual peer reviewers will also be open for public inspection, but these scores will not identify individual peer reviewers.
3.6 **Appeals Process**

The appeals process for the Competitive decisions should be released by CNCS when those funding announcements are made. Applicants wishing to file an appeal should work with the Board to meet the appeal requirements outlined by CNCS.

Applicants can only protest or appeal violation of procedures to the Board that are outlined in this RFP or fall within the Formula grant selection process. Ranking and scoring by the Peer Review Committee is not subject to protest or appeal. Notice of intent to protest and any protests must be made in writing. Individuals should make their protests as specific as possible and should fully identify the procedural issue being contested.

Any written notice of intent to protest must be filed the Board and received in no later than five (5) working days after the notices of intent to award are issued. Any written protest must be received within ten (10) working days after the notice of intent to award is issued.

Failure of the successful applicant to accept these as a contractual agreement may result in a cancellation of award.

The following priority for contract documents will be used if there are conflicts or disputes:

- AmeriCorps Contract between the Board and Grantee
- Code of Federal Regulations
- AmeriCorps Provisions
- Applicant's Proposal and Any Subsequent Amendments
- State Request for Proposals Dated April 19, 2017

7.5 Termination of Contract

The Board may terminate the contract at any time at its sole discretion by delivering 30 days written notice to the grant recipient. Upon termination, the Board's liability will be limited to the pro rata cost of the services performed as of the date of termination plus expenses incurred with the prior written approval of the Board. In the event that the grant recipient terminates the contract, for any reason whatsoever, it will refund to the Board within 10 days of said termination, all payments made hereunder by the Board to the grant recipient for work not completed or not accepted by the Board.
