

Meeting your Need through Community Based Service Learning Projects

Projects are team-based, typically lasting 6-8 weeks of full-time service. Sample Projects include:

Natural and Other Disasters, which includes disaster preparedness, response, recovery, and mitigation
Greater consideration will be given to projects with a large disaster emphasis.

- Facilitating disaster education and safety programs
- Staffing shelters, emergency phone banks, and donation distribution centers
- Conducting needs assessments
- Home repair post-disaster
- Clean-up of public lands
- Restoration of natural habitat that protects people from hazards (e.g. green spaces along rivers)

Energy Conservation:

- Community energy assessments and audits
- Weatherization projects
- Facilitating energy conservation education programs

Environmental Stewardship and Conservation:

- Facilitating environmental education programs
- Trail building and maintenance
- Planting trees

Infrastructure Improvement:

- Constructing wheelchair ramps
- Assembling playgrounds
- Repairing public facilities
- Preserving historical buildings or artifacts

Urban and Rural Development:

- Building/renovating homes for low-income citizens
- Supporting after-school or STEAM programs and other activities for youth
- Assisting with community revitalization through blight elimination, addressing housing challenges or conducting needs assessments
