

Sixteenth Street Community HealthCorps

Sixteenth Street Community Health Centers (SSCHC) is a federally qualified community health center based in the Southside of Milwaukee, we have been providing various services and resources to our community for over fifty years. As a community health center, we aim to improve the health and well-being of our patients and community by providing quality, patient-centered, family-based health care, education and social services free from linguistic, cultural and economic barriers. Our AmeriCorps program will further enhance our potential to better serve our community as well as provide an enriching and professional experience for our AmeriCorps members.

.....
